

ID	 Task Mode	Task Name	Duration	Start	Finish	Timeline: June 17/07 to July 11/07																															
1		YEAR 1																																			
2		Object Oriented Programming	35 days	Mon 06/11/17	Fri 22/12/17																																
3		Communication Skills	35 days	Mon 08/01/18	Fri 23/02/18																																
4		Software Engineering	45 days	Mon 26/02/18	Fri 27/04/18																																
5		Discrete Maths	35 days	Mon 30/04/18	Fri 15/06/18																																
6		Database Programming (I)	35 days	Mon 18/06/18	Fri 03/08/18																																
7																																					
8		Critical Thinking	35 days	Mon 03/09/18	Fri 19/10/18																																
9		Mobile Applications Development	35 days	Mon 22/10/18	Fri 07/12/18																																
10		Data Structures & Algorithms	45 days	Mon 10/12/18	Fri 08/02/19																																
11		Low Level Programming	35 days	Mon 11/02/19	Fri 29/03/19																																
12		Database Programming (II)	35 days	Mon 01/04/19	Fri 17/05/19																																
13																																					
14		YEAR 2																																			
15		Interactive Mobile Development	35 days	Mon 20/05/19	Fri 05/07/19																																
16		Client Side Scripting	35 days	Mon 02/09/19	Fri 18/10/19																																
17		Server Side Scripting	35 days	Mon 21/10/19	Fri 06/12/19																																
18		Securing Applications	35 days	Mon 06/01/20	Fri 21/02/20																																
19		Low Level Programming II	45 days	Mon 24/02/20	Fri 24/04/20																																
20																																					
21		Test Driven Development	35 days	Mon 27/04/20	Fri 12/06/20																																
22		Enterprise Programming	35 days	Mon 15/06/20	Fri 31/07/20																																
23		Distributed Programming	35 days	Mon 07/09/20	Fri 23/10/20																																
24		Business Intelligence & Reporting	35 days	Mon 26/10/20	Fri 11/12/20																																
25		Project	35 days	Mon 14/12/20	Fri 29/01/21																																
26																																					
27		YEAR 3																																			
28		Image Processing and Computer Vision	35 days	Mon 01/02/21	Fri 19/03/21																																
29		Applied Computational Intelligence	45 days	Mon 22/03/21	Fri 21/05/21																																
30		Data Structures And Algorithms II	35 days	Mon 24/05/21	Fri 09/07/21																																
31		Statistics for Computer Science	35 days	Mon 06/09/21	Fri 22/10/21																																
32																																					
33		Programming for the Cloud	35 days	Mon 25/10/21	Fri 10/12/21																																
34		IT Project	35 days	Mon 10/01/22	Fri 25/02/22																																
35		Content Management Systems	45 days	Mon 28/02/22	Fri 29/04/22																																
36		Entrepreneurship	35 days	Mon 02/05/22	Fri 17/06/22																																
37		Dissertation																																			

Project: B.Sc Software Develop

Date: Mon 30/10/17
